DEMOCRATS WIN ALL OVER COUNTRY

LANDSLIDE IN EAST AND TENNESSEE IS ONLY ONE TO GO WRONG IN THIS SECTION THE RESULTS

Associated Press dispatches say on Wednesday morning that a Democratic landslide has swept the country from one end to the other. A gain of 40 seats in the lower House of Congress gives the Democrats complete control of that body and Champ Clark of Missouri has already announced his candidacy for speaker to succeed Cannon.

Tennessee is the only state out of harmony, for Hooper, the republican fusion candidate defeated Hob Taylor for Governor by about 18,000 majority.

John A. Dix, the democrat was elected governor of New York by between 55,000 and 65,000 majority over Roosevelt's candidate, Stimson. He carried the Lieutenant Governor and a great many democratic congressmen with him to victory.

Governor Judson Harman was re-elected in Ohio over Harding, the Republican nominee by a majority of about 9,000. The state ticket goes in with him and the democrats claim the legislature sure and have many congressional gains.

Woodrow Wilson, former president of Princeton University, and running as a democrat, was elected Governor of New Jersey by a substantial majority.

Judge Baldwin, whom Roosevelt bitterly attacked, won for governor of old state old Republican Connecticut by about six thousand majority.

Edward Ross, Democrat, won a splendid victory for governor of Massachusetts, defeating the present republican Governor, Draper.

In Indiana the democrats have a substantial majority for their legislative tickets and state officers, and the election of John W. Kern over Albert J. Beveridge for United States Senator is assured. There was a large gain in democratic congressmen in both Indiana and Ohio.

IN KENTUCKY

Kentucky will send nine democratic congressmen to Washington this fall, a gain of one, W. J. Fields defeating for it assured. There was a large gain for the democrats, squeezed through in the Tenth by the use of a great corruption fund.

In Louisville the democrats swept both Sherry back to Congress and elected Shackelford Miller to the Court of Appeals over Bingham.

The fusionists won in Lexington by a small majority. Rankin carrier Fayette over Cantrill for Congress by about 165 majority. Cantrill won in his district, however, by 2,700 majority, about one-third the regular democratic majority.

Helm An Easy Winner

Lincoln county held up her end well in the democratic ranks and helped the district to almost 2,800, the second swell Harvey Helm's majority in one of largest majority he has received, which is considered very good, this being an off-year and little interest taken in the election in this section.

The election passed off very quietly here. At several of the precincts in the county the republican election officers failed to show up and others had to be pressed into service. A fair crowd gathered in town during the day, but the "boys" had mighty slim picking for neither side had any coin.

The majority in Lincoln will probably go close to 400. Unofficial reports from the various precincts at night gave the majorities in each as follows:

Precinct	Helm	Miller
Stanford No. 1	85	
Stanford No. 2	46	
Stanford No. 3	33	
Stanford No. 4	21	
Waynesburg	66	
King's Mountain	22	
Hustonsville (2 precincts)	76	
Turnersville	17	
McKinney	55	
Crab Orchard (2 precincts)	35	
Hughland	17	

Helm's majority 439
Miller's majority 387

In the Eighth

The majorities which Congressman Helm received in the Eighth district counties, sending him back to join the happy democratic throng are unofficially as follows:

Precinct	Helm	Miller
Anderson	450	
Boyle	323	
Jessamine	300	
Lincoln	387	
Spencer	425	
Mercer	350	
Madison	180	
Rockcastle	200	
Garrard	24	
Shelby	785	
Totals	3030	374
Helm's majority	2656

Epidemic in County

IS MATRIMONIAL FEVER WITH MANY MORE AFFECTED.

The matrimonial fever is still very epidemic in Stanford and Lincoln counties, and several weddings are said to be planned for the near future. In addition to those forecasted in the last issue of the I. J., and concerning which hundreds of guesses have been received.

A popular young business man of the city is said to have just adorned the engagement finger of an attractive young maiden of town a very large and beautiful diamond ring.

The engagement of Assistant Cashier C. Hays Foster, of the State Bank and Trust Company to Miss Lulu R. Nickols of Pineville, has already been announced. One well known young salesman of the city who has been "on the turf" for a number of seasons and escaped so far unscathed has confided to friends that he is wearing a small bag of asbestosoid about his neck to keep off the matrimonial fever. The prevalence of the malady was discussed by the city school teachers last week, and Prof. Ireland suggested that he was thinking of employing guards to prevent proposals by little Dan Cupid upon his faculty. "Oh, no," one is said to have exclaimed; "perhaps we may be able to catch one of the guards."

Howard Norton aged 29 and Miss Bettie Martin, aged 21, secured license here Monday and were united in marriage at the court house by Rev. Garland Singleton.

Charles G. Brown, aged 22 and Miss Martha Lamb aged 15, secured license from County Clerk Cooper and were made one at the house of the bride's parents, Mr. and Mrs. B. F. Lamb last Thursday. They are a popular young couple and have hearty congratulations.

POLITICAL ANNOUNCEMENTS

For Circuit Judge

The Interior Journal is authorized to announce Charles A. Hardin as a candidate for Circuit Judge of the Thirteenth Judicial district, at the election to be held November, 1911, subject to the action of the Demo-

The Danville Advocate which boldly denounces Lillard as the traitor that he is, at the time he voted against the democratic nominee for United States Senator, now, in telling of his appointment as Bradley's private secretary says that "personal enmity" caused Lillard to vote against Beckham and for Bradley. Nobody will swallow such stuff. Lillard told the democrats who elected him that he would vote for Beckham, accompanied Beckham on a speaking tour in Boyle, when Beckham spoke for him, accepted Beckham's money in his campaign fund when the legislature first convened told Beckham and his friends that he would not vote for him. "Personal Enmity!" Rot. Why has the Advocate gotten so soft on the subject? Let it look over the files and see what it said itself at the time Lillard played the Iscariot act.

The Benton Tribune-Democrat, way down in Marshall county in western Kentucky, is another paper which favors a direct primary nominations law for Kentucky, advocated by the Interior Journal several weeks ago. And as the T. D. also says we must have those truly democratic fundamentals the initiative, and the soon er the better for Kentucky.

Roof Fell On Him

W. F. BALLARD BADLY HURT IN PREACHERVILLE SECTION.

Preachersville, Nov. 8th. While tearing down a tenant house on the farm of P. E. Parrish Mr. W. F. Ballard was severely injured by the walls giving away letting the roof drop like a trap. Luckily Mr. Ballard was in such a position that the rafters and joists of the building, by falling lengthwise by the side of his body, kept him from being mashed to death instantly. By the utmost effort Mr. Ballard managed to relieve himself by getting into a more bearable position, but by so doing he severely bruised his shoulder. Calling to Mr. Parrish and the other workmen that he was not hurt much, he patiently waited until additional aid could be secured. When taken out it was found that the injured man was badly hurt, his right hip being crushed and sundry bruises with chances of internal injuries.

Mrs. G. W. Spangler, of Griffin, Station, raised some good sized squashes in her garden this season. The vine was 60 feet in length and bore a large number of the fruit, the three largest weighing 31, 44 and 56 pounds each.

Hon. J. L. Kennedy went to Crab Orchard and met Hon. Hugh Miller, republican nominee for congress from this district and accompanied that gentleman to Sugar Grove, Stanford and Lancaster where the "dear voter" received a hearty hand shake.

Miss Ha Pettus is at home for a week. The Crab Orchard graded school has dismissed on account of the fear of scarlet fever becoming epidemic, two cases reported at present. Miss Pettus teaches the primary grade.

Mrs. R. C. Kimball and little son, Harmon, of Crab Orchard, were visiting Mrs. J. M. Cress.

Rev. and Mrs. J. E. Roberts were surprised at the Methodist parsonage one night last week with a storm pound party. The good parson and his wife were almost "pounded to death" and their larder was well supplied with substantial and dainties.

Rev. J. H. Thornton of Honaker, Va., is conducting a series of meetings at the Baptist church each evening. The services will probably continue some time. Prof. J. D. Thornton has charge of the singing with Miss Emma Holtzclaw as organist. The singing and music are quite a feature of the exercises.

DOCTORS FAILED. RESTORED BY PERUNA.

Catarrh of the Lungs

Threatened Her Life.

Miss Ninette Porter, Braintree, Vermont, writes: "I have been cured by Peruna."

"I had several hemorrhages of the lungs. The doctors did not help me much and would never have cured me. I saw a testimonial in a Peruna almanac of a case similar to mine, and I commenced using it."

"I was not able to wait on myself when I began using it. I gained very slowly at first, but I could see that it was helping me."

"After I had taken it a while I commenced to raise up a stringy, sticky substance from my lungs. This grew less and less in quantity as I continued the treatment."

"I grew more fleshy than I had been for a long time, and now I call myself well."

Miss Annie Bartles, of Griffin, Station, was the guest of the Misses Croushorn near Goshen. Miss Emma Holtzclaw visited her pupil, Miss Aiza McAllister at her pretty country home near here. Mrs. J. C. McClary of Stanford, with Mrs. Lauretta Hiatt and Miss Bessie Hiatt, of Rockcastle were guests of Mrs. Susan Cress. Miss Ina Roberts and brother George, of Hubbe were guests of Mr. and Mrs. F. Y. Shaw. Miss Lucile Ballard has been sick. R. L. Smith, of Hiatt, Ky., was with J. M. Cress and wife. Miss Eder Bartles was visiting Mrs. Mason Holtzclaw. Mr. Frank Lynkins, who has been ill of typhoid fever, is much better.

Rev. J. H. Peace of Ferndale, Ky., is assisting Rev. Wm. Mack Hutchins at Freedom in a protracted meeting. The prospects for a successful meeting are fine. Rev. Peace is an excellent divine.

While driving home one night with Mr. Harman Sebastian after church, Rev. Hutchins and the former gentleman were turned over by someone driving swiftly into their vehicle. This occurred in Garrard. It was a narrow escape.

David Anderson, Sr., of the Sweeney section of Garrard, had about half of his small crop of tobacco stolen a few nights ago.

Mrs. J. H. Cummins sold a pair of mules to R. B. Sherman of Monticello, Fla., for \$250.

W. T. Smith of Lexington has been visiting his sister, Mrs. Tinsley Spoonamore.

William Russell little son of Mr. and Mrs. J. O. Spratt is ill of pneumonia.

"Sure Cure"

"I would like to guide suffering women to a sure cure for female troubles," writes Mrs. R. E. Mercer, of Frozen Camp, W. Va. "I have found no medicine equal to Cardui. I had suffered for about four years. Would have headache for a week at a time, until I would be nearly crazy. I took Cardui and now I never have the headache any more."

E 53 Take CARDUI

The Woman's Tonic

The pains from which many women suffer every month are unnecessary. It's not safe to trust to strong drugs, right at the time of the pains. Better to take Cardui for a while, before and after, to strengthen the system and cure the cause. This is the sensible, the scientific, the right way. Try it.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.

Diamond Edge Food Cutters

Notice that we say Food Cutters, not food macerators nor choppers, but Cutters. The Diamond Edge Food Cutter actually cuts the food as clean as a pair of scissors cuts paper.

The Diamond Edge Food Cutter is so carefully adjusted that the toughest tendons in meat are cut clean. A Diamond Edge Food Cutter turns with probably half the exertion required in other kinds as a result of this clean cutting principle. It cuts meat into sausage, shreds coconut, cuts slaw, also has a pulverizer attachment for making nut butter, grinding pepper, coffee, etc. The fastest cutter made. Let us show you.
